Lab Exercise Guidelines (20%)

Global Bike Inc. (GBI) has received an inquiry from The Bike Zone ###. regarding the purchase of bicycles. As the Sales Specialist, you must execute the full Order-to-Cash (OTC) process in SAP S/4HANA Fiori from Quotation creation to Accounting.

Your work is divided into two lab exercises:

Lab Exercise 1: Steps 1–7

Lab Exercise 2: Steps 8–14

LAB EXERCISE 1 – SALES CYCLE (STEPS 1–7)

Objective: Execute the sales front-end process: create a quotation, convert it into a sales order, and verify document linkage.

LAB EXERCISE 2 – FULFILMENT & FINANCE (STEPS 8–14)

Objective: Complete the goods fulfilment and financial stages of the OTC cycle.

Please submit the OTC report according to the **sample answer** provided at the end of these guidelines.

The submission deadline is **22nd May 2026** (Friday), BEFORE 5:00 p.m.
