

Assessment Methods and Criteria for Teamwork [15%] –Peers

Teamwork is behaviors under the control of individual team members (effort they put into team tasks, their manner of interacting with others on team, and the quantity and quality of contributions they make to team discussions.)

Assess the teamwork of an individual student, not the team as a whole

To be filled up by each member.

Team Name: Group 10

Your Name: Sim Heng Ping

The following is a list of attributes for the purpose of rating yourself and your teammates.

Please read them through and think very carefully before deciding on a rating value that best fit yourself and your teammates. Upon your completion, kindly submit to your lecturers as this assessment is considered a P&C (Private and Confidential)

1-Strongly Disagree 2-Disagree 3-Neutral 4-Agree 5-Strongly Agree

The above are the ratings, kindly write your rating in the columns (1 – 5)
